Pantomime actor

[Current]

I have been part of a Mime team since I was a little child, and I keep performing with them ever since then. We do performances for events, in schools, orphanages and street performances.

Theatre performer

[Current]

I started performing in multiple theaters as a child actor, and I kept playing in theaters during my studies:

- META Kamara Színház
- József Attila Színház
- Thália
- Miami Színtársulat

Even though I prefer performing in movies, I believe that performing in theaters gives me a deeper understanding of my craft and enhances my skills as an actor.
