BIO

Bobby was born in Coventry, England. He is of Asian descent, and ethnically ambiguous.
After studying engineering in Manchester, he became a salesperson and entrepreneur. Then he travelled the world.
He can perform a variety of accents, and has a basic grasp of several languages, including Italian, French, and German.
He performed before 200 guests daily during the Greek summer seasons on the island of Rhodes for 10 years.
He has performed several uncredited roles in Egyptian cinema, in Cairo, Egypt.
He took time out to start a business and a family in Croatia. This led him back into writing and acting.
He has since published a number of novels and performed on film.
