He is the first actor ever to be cast in both roles and was nominated for the New York Drama League's Distinguished Performance award 2020.

Industry award nominations:

2020 Drama League Award for Distinguished Performance. {The Woman In Black, New York)
Manchester Theatre Award Best Supporting Actor {Boeing Boeing) 2016.

Recent review:

Ben Porter plays The Actor, who assumes the role of Young Kipps and drives the narrative forward with energy, clarity, and an impeccable sense of pacing. Porter's shifts between character and narrator are seamless, and his command of tension allows the production to move from dry rehearsal comedy into heart pounding suspense.
